### Regularly Scheduled Inn Group Meeting times

(Subject to change and adjustments for holidays, mother nature, etc.)

Visit [www.inngroupnetworking.com](http://www.inngroupnetworking.com) to confirm meeting days/times each month

\*\* Lock in your category for one year. If you miss more than two consecutive meetings (without a doctor's excuse <smile>) then you lose exclusivity. We all benefit from your area of expertise and this only works when members are available to share and participate in discussions on a regular basis. In addition, you get to know others in the group which encourages referrals naturally.

\*\*\* Be part of our active Our Social Media groups. These are available to support edifying discussion and reinforce connectivity among members.
